

AI LEGAL™

Court Orders & Digital Court Diary System

Order Sheet Parsing • AI Directive Extraction • Compliance Deadlines • Daily Cause List Alerts

Document Area	Details
Product	AI LEGAL™ Court Orders & Digital Court Diary
Workspaces	/dashboard/court-orders & /dashboard/court-diary
Core Pipeline	OCR → jurisdiction management → AI extraction → diary/tasks → reminders
Key Outputs	Executive summary, compliance items, hearing details, actionable tasks and risk analysis

AI LEGAL — Advocates Directory & Verification System

Bar Council Verification Pipeline, Advocate Marketplace, Trust Badges & Client Discovery Flow

1. Executive Summary & Purpose

The \AI LEGAL Advocates Directory\ (/dashboard/advocates\ / \AdvocatesDirectoryPage.jsx) serves as a verified legal marketplace connecting litigants, corporate clients, and citizens with verified advocates across India. Unlike open directories that allow unverified claims, AI LEGAL enforces a strict \Bar Council Verification Pipeline\ to ensure that only legitimate, enrolled advocates can list their practices, accept paid client consultations, and receive booking inquiries.

Key Capabilities:

- \Mandatory Bar Council Credentials Check:\ Collection and review of State Bar Council enrollment numbers, enrollment years, and official enrollment certificates.
- \Admin Verification Studio (\AdminAdvocateVerificationsSection.jsx):\ Human-in-the-loop review queue where platform compliance officers verify legal credentials before granting a public listing.
- \Verified Advocate Trust Badge (\ShieldCheck):\ Cryptographically verified profile badge assuring clients of the advocate's good standing.
- \Multi-Vector Search & Practice Filters:\ Filter advocates by practice area (Civil, Criminal, Corporate, Family, Property, Cyber, Consumer), courts of practice, language fluency, and experience.
- \Seamless Client Booking Engine:\ Interactive booking modal with date/time slot selection, legal issue summaries, and direct Razorpay checkout integration.

2. Technical Architecture & Verification Workflow

3. The Advocate Verification Pipeline Deep Dive

To prevent fraudulent representation and comply with Bar Council of India guidelines, advocates undergo a structured 3-step verification process:

3.1 Step 1: Profile & Credentials Submission (\\AdvocateRegistrationModal.jsx)

The advocate completes the registration wizard:

- \\Full Legal Name:\\ As registered with the State Bar Council (e.g. \\Adv. Rajesh Sharma").
- \\State Bar Council:\\ Dropdown selection (e.g. \\Delhi Bar Council, Maharashtra & Goa Bar Council, UP Bar Council, Karnataka Bar Council).
- \\Bar Enrollment Number:\\ Mandatory registration code (e.g. \\D/1234/2018).
- \\Enrollment Year:\\ Year of admission to the Bar.
- \\Experience Level:\\ \\1-3 Years\\, \\3-5 Years\\, \\5+ Years\\, \\10+ Years\\, \\15+ Years (Senior Counsel).
- \\Primary Practice Areas:\\ Multi-select (Civil Law, Criminal Law, Corporate Law, Family Law, Property Law, Cyber Law, Consumer Law, IPR, Taxation).
- \\Courts of Practice:\\ Multi-select (District Courts, High Court, Supreme Court of India, NCLT, DRT, Consumer Commissions).
- \\Languages Spoken:\\ English, Hindi, Marathi, Bengali, Tamil, Telugu, Kannada, Gujarati, Punjabi, etc.
- \\Consultation Fee & Availability:\\ Base consultation fee in INR and weekly availability schedule.
- \\Document Upload:\\ Mandatory upload of Bar Council Enrollment Certificate or Certificate of Practice (COP) in PDF/image format.

3.2 Step 2: Commercial Terms & Platform Consent

- The advocate accepts the standard commercial terms: \\70% net payout to advocate / 30% platform infrastructure and payment gateway fee\\.
- Acknowledges that platform fees are deducted automatically upon successful completion of the consultation.
- Consent checkbox is strictly unselected by default to ensure deliberate legal agreement.

3.3 Step 3: Admin Review Studio (\\AdminAdvocateVerificationsSection.jsx)

Platform compliance officers review applications through the Admin Dashboard:

- Cross-references the submitted \\barEnrollmentNumber\\ with official State Bar Council registry formats.
- Inspects the uploaded enrollment certificate for authenticity, official seals, and legible enrollment dates.
- Approves the application with a single click or rejects it with specific feedback (e.g. \\Uploaded certificate is blurred; please upload an official copy").

4. Directory Profile Architecture & Trust Indicators

Once verified, the advocate's listing appears on the public directory with several trust indicators:

\\

[Profile Photo] Adv. Rajesh Sharma [VERIFIED BADGE]

	Delhi Bar Council (D/1234/2018) • 10+ Years Experience	
	Courts: High Court of Delhi • Supreme Court of India	
	4.9 (128 Verified Client Reviews)	
	Practice Areas:	
	[Civil Litigation] [Corporate Law] [Arbitration]	
	Languages: English, Hindi	
	Consultation Fee: ₹1,500 (30 Mins)	
	Available: Today (10:00 AM - 06:00 PM)	
	[Chat] [Audio Call] [Video Call]	
	[BOOK CONSULTATION]	

\\

Trust Badges:

1. \\Verified Advocate Shield (\\ShieldCheck):\\ Confirms verified Bar Council enrollment.
2. \\Review Aggregation:\\ Verified star ratings (1.0–5.0) collected exclusively from paying clients who have concluded consultations.
3. \\Experience Badge:\\ Clear display of court seniority.

5. Client Discovery & Booking Workflow

Litigants access the directory to find and retain legal counsel:

\\mermaid

\\

Booking Submission Payload (\\handleBookingSubmit):

\\javascript

// AdvocatesDirectoryPage.jsx (Lines 92-120)

const bookingPayload = {

```

advocateId: selectedAdvocate.id || selectedAdvocate.id,
consultationType: bookingType, // 'video' | 'audio' | 'chat'
scheduledDate: bookingDate,
scheduledTimeSlot: bookingTimeSlot,
legalIssueSummary: legalIssueSummary.trim(),
fee: selectedAdvocate.consultationFee || 1500
};

const res = await consultationService.createConsultationRequest(bookingPayload);
if (res?.success) {
  toast.success('Consultation booked successfully!');
  navigate(/dashboard/consultations/${res.consultation.id});
}
\\

```

6. Directory Governance & Anti-Disintermediation Policies

To maintain platform trust and professional standards:

1. \\Role Guarding:\\ Logged-in advocates visiting /dashboard/advocates\\ are automatically redirected to /dashboard/consultations\\ to prevent improper solicitation of peer counsel.
2. \\Encrypted Communication:\\ Phone numbers and email addresses remain protected; communication occurs through the platform's secure audio/video bridges until formal case representation is established.
3. \\Bar Council Ethics Compliance:\\ Profiles do not claim superlative qualifications (e.g. "Best Lawyer in Delhi") to adhere strictly to Rule 36 of the Bar Council of India Rules on legal advertising.
